- We have ordered DRY WARM WEATHER! ■

## Enjoy your time at the festival!

Steve Bach  
Mayor, City of Colorado Springs

During his 2010 State of the City address, former Mayor Lionel Rivera called the Pikes Peak Arts Fest "The Signature Downtown Event of the Summer!" It is, therefore, my sincere pleasure to welcome you to the Seventh Annual Pikes Peak Arts Fest which promises to be a great success for artists and patrons alike.

Indeed a high quality Festival of the Arts – ALL THE ARTS – such as this one is a credit to our beautiful city and Downtown Colorado Springs. It does not only provide a much needed venue to our fine artists, artisans and performing artists but it provides the public with a fine chance to meet and interact with those who beautify their homes, their environment and their lives.

The Seventh Annual Pikes Peak Arts Fest will span three delightful days of FREE family fun, food, showcase the best local musicians, and a rainbow of beautiful artwork by the finest artists and craftspeople around! All in a park setting that participating artists called "one of the most beautiful venues in the nation!" On behalf of Colorado Springs, I would like to congratulate The Pikes Peak Arts Fest Board as well as Executive Director, Marica Hefti on the occasion of their seventh of many such events. May it keep growing and continue as an institution as well as an asset to our great city. ■
